CALLS MEETING FOR GARDENERS

W. C. Kilson Urges All Interested
to Attend First Booster
Gathering.

A meeting of garden workers of Rock Island, Moline, East Moline, and Silvis is to be held during the latter part of next week at the Rock Island high school auditorium, according to W. C. Kilson, county garden supervisor.

Those who engaged in this work during the last three years in the Illinois quad-cities and those who intend to raise garden products this year are urged to be present at the gathering. "The necessity for gardens is greater this year than ever before," declared Mr. Wilson.

Plans for gardening will be taken up and discussed at the meeting. Especially will child gardening be considered. A better and more effective means will be sought to control the children so that ground plots which are assigned to them will be planted and cultivated. Last year some difficulty was experienced in this matter and much good ground was wasted.

Gardening will be advocated in the city schools this year more strongly than ever before, according to E. C. Fisher, superintendent.

PATRIOTIC SERVICE AT CENTRAL CHURCH

The service at the Central Presbyterian church tomorrow evening will be one in keeping with the season, February being the month of Washington and Lincoln, the pastor, Rev. David A. Johnson, will give a patriotic address on "February's Immortals." He will not confine himself entirely to patriotism in its national aspects but will also show some ways in which true patriotism serves the nation by serving the community. He asserts that there is no patriotism in general that does not express itself in the particular, and that the light that shines farthest shines brightest nearest home.

The general public is extended a very cordial invitation to attend this service, especially those who are interested in the highest welfare of their own community. In the morning the sermon theme will be "The Christian Moods."

MEMORIAL FUND GETS DONATION

Absent Rock Island Physician
Sends Sum as Addition to the
Benefit for Mrs. Wiggers.

Although far removed from their home town, Rock Islanders maintain their interest in home folks and affairs of community interest. This is proven by a donation of \$5 received today by Sheriff John G. Miller for the Wiggers memorial fund from Lieutenant A. N. Mueller, medical corps, United States Army, Lieutenant Mueller, formerly of this city, is stationed at a general hospital at Long Beach, Long Island. In the letter accompanying his offering, he writes:

"I see by The Argus that a fund is being raised for Mrs. Wiggers. I wish you would see that the enclosed check is added as my little contribution."

"This hospital will close about May 1, and my hopes for an early discharge are bright once again. Most of us will not be needed much longer. I trust that you like your new work. I see by The Argus that you are busy."

NEED OF ROOMS LONG APPARENT

Mrs. F. W. Bahnsen Makes Statement on Girls' Community Service Headquarters.

That the development and establishment of the girls' community service rooms has been brought about as the result of the apparent need of such a place in Rock Island, is the statement of Mrs. F. W. Bahnsen, chairman of the local board.

"The work of the Patriotic league began as a war-time project, but we came soon to know that its place in the community was a real and a necessary one," Mrs. Bahnsen said today. "From the league started by the Young Woman's Christian association, the work has spread until 15 leagues are now enrolled and more than a thousand girls are members."

"It became necessary as the work progressed to find a hall in which recreational activities might function and rooms in which the girls might meet. The old K. C. hall was found an ideal spot for all activities. The war camp community service was asked to add to its budget an appropriation to cover the cost of equipping and maintaining the club. A sum of \$4,000 was given for that purpose by the national headquarters of the war camp community service. The money suggested by the war camp community service is the money obtained from the united war drive of last November."

"The club seeks to serve the girls and women of Rock Island as a community center. The rooms are open from 11 a. m. to 10 p. m. to any girl or woman wishing to use them. Club women are free to have their meetings in the rooms, and girls are asked to use them for recreation and social activities. There are no dues connected with the membership of the league. A small charge is made for classes to cover expenses. The community service league in no way conflicts with or absorbs the function of any girls' organization in any city in which it exists. It seeks through its efforts to reach many unorganized girls and to eventually persuade them of the value of working with girls and thus increase the interest in the existing girls' organizations."

"The club is offering classes in cooking, in French, in aesthetic and social dancing, in military drill and gymnasium and the rooms have been used by the girls for various social activities. We extend a cordial invitation to all girls and women to use the rooms."
